AFM Remote Learning Checklist Week 2

Name\_\_\_\_\_

## Unit 4 Trigonometry Part 1

<ul> <li>Discuss first week pace</li> <li>Introduce new unit</li> <li>esson 1: Intro to trig ratios</li> <li>esson 2: Solving for a side in right triangle using trig atios</li> <li>esson 3: Solving for an angle n a right triangle using trig atios</li> </ul>	Article Video Article Video Exercise Article Video Exercise Article	Hypotenuse, opposite and adjacentIntro to trig ratios (9min)Trig ratios in right trianglesTrig ratios in right triangles(12min)Trig ratios in right triangles (4 problems)Solving for a side in right triangles with trigSolving for a side in right triangles with trig (7min)Solve for a side in right triangles (4 problems)Intro to inverse trig functions	
Introduce new unit esson 1: Intro to trig ratios esson 2: Solving for a side in right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Article Video Article Video Exercise Article Video Exercise	Intro to trig ratios (9min)Trig ratios in right trianglesTrig ratios in right triangles(12min)Trig ratios in right triangles (4 problems)Solving for a side in right triangles with trigSolving for a side in right triangles with trig (7min)Solve for a side in right triangles (4 problems)	
esson 1: Intro to trig ratios esson 2: Solving for a side in right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Video Article Video Exercise Article Video Exercise	Intro to trig ratios (9min)Trig ratios in right trianglesTrig ratios in right triangles(12min)Trig ratios in right triangles (4 problems)Solving for a side in right triangles with trigSolving for a side in right triangles with trig (7min)Solve for a side in right triangles (4 problems)	
esson 2: Solving for a side in right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Video Article Video Exercise Article Video Exercise	Intro to trig ratios (9min)Trig ratios in right trianglesTrig ratios in right triangles(12min)Trig ratios in right triangles (4 problems)Solving for a side in right triangles with trigSolving for a side in right triangles with trig (7min)Solve for a side in right triangles (4 problems)	
right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Article Video Exercise Article Video Exercise	Trig ratios in right trianglesTrig ratios in right triangles(12min)Trig ratios in right triangles (4 problems)Solving for a side in right triangles with trigSolving for a side in right triangles with trig (7min)Solve for a side in right triangles (4 problems)	
right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Video Exercise Article Video Exercise	<ul> <li>Trig ratios in right triangles(12min)</li> <li>Trig ratios in right triangles (4 problems)</li> <li>Solving for a side in right triangles with trig</li> <li>Solving for a side in right triangles with trig (7min)</li> <li>Solve for a side in right triangles (4 problems)</li> </ul>	
right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Exercise Article Video Exercise	Trig ratios in right triangles (4 problems)Solving for a side in right triangles with trigSolving for a side in right triangles with trig (7min)Solve for a side in right triangles (4 problems)	
right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Article Video Exercise	Solving for a side in right triangles with trigSolving for a side in right triangles with trig (7min)Solve for a side in right triangles (4 problems)	
right triangle using trig atios esson 3: Solving for an angle n a right triangle using trig atios	Video Exercise	Solving for a side in right triangles with trig (7min) Solve for a side in right triangles (4 problems)	
atios esson 3: Solving for an angle n a right triangle using trig atios	Exercise	Solve for a side in right triangles (4 problems)	
esson 3: Solving for an angle n a right triangle using trig atios			
n a right triangle using trig atios	Article	Intro to inverse trig functions	
atios			
Nalta Math Duastian			
Nalta Matla Dua atian	Exercise	Solve for an angle in right triangles (4 problems)	
Pelta Math Practice	<mark>Exercise</mark>	Due by Friday April 24, 2020	
Assignment Unit 4 #1			
ive Session:			
Answer questions for L	essons 1, 2	and 3	
esson 4: Modeling with right	Video	Right triangle word problem (4min)	
riangles	Article	Angles of elevation and depression	
	Exercise	Right triangle trig word problems (4 problems)	
	Article	Right triangle trig review	
Lesson 5: Trig ratios and similarity	Video	Triangle similarity and trig ratios (8min)	
	Video	Trig challenge problem: verify identities (5min)	
	Video	Trig challenge problem: trig values and side ratios (9min)	
Lesson 6: Sine and cosine of complementary angles	Article	Sine and cosine of complementary angles	
	Video	Sine and cosine of complementary angles (4min)	
	Video	Using complementary angles (4min)	
	Video	Trig word problem: complementary angles (5min)	
FridayQuizizz Assginment4/24Enter the code:	<mark>Exercise</mark>	Due by Monday May 4, 2020	
	milarity esson 6: Sine and cosine of omplementary angles	milarity Video Exercise Netr the code:	milarityVideoTrig challenge problem: verify identities (5min)VideoTrig challenge problem: trig values and side ratios (9min)esson 6: Sine and cosine of omplementary anglesArticleSine and cosine of complementary anglesVideoSine and cosine of complementary anglesVideoSine and cosine of complementary angles (4min)VideoUsing complementary angles (4min)VideoTrig word problem: complementary angles (5min)uizizz Assginment nter the code:ExerciseDue by Monday May 4, 2020
